Get more out of your **Good Food & Wine Show** tasting experience with the tantalising flavours and aromatic scents in the Cheesematters Masterclass. Develop your cheesy palate in this 45-minute cheese tutorial.

Delve into the wonderful world of cheese and taste your way through a variety of cheese styles – from fresh, soft white and washed rind styles, to Cheddar, Parmesan and blue.

Experienced cheese educator Naomi Crisante will lead your tastebud journey matching each cheese with a selected wine and range of accompaniments.

Try cheeses from King Island Dairy, Tasmanian Heritage, South Cape and Mil Lel, at this very social tutored tasting where participants are encouraged to taste, explore, discuss and enjoy!

Due to popular demand at the 2009 **Good Food & Wine Show**, additional tickets have been placed on sale in 2010 so don't forget to book your tickets in advance, as this class will sell out quickly.

*Cost includes a 45 minute tutored tasting, cheese samples, tasting glasses of three wines, accompaniments and course materials.*

*All classes are \$30.00 per person and all participants will also receive a **112 pg Cheesematters recipe book valued at \$19.95.***
